GYMNASTS' DRAWING OF LOTS PROCEDURES

We are pleased to hereby submit the procedures for the MAG and WAG gymnasts drawing of lots for the 48th FIG Artistic Gymnastics World Championship in Doha (QAT).

In view of the high number of WAG gymnasts registered within a team, the MAG and WAG formats will be **different** for the Qualifications.

MAG gymnasts will be divided into groups consisting either of teams groups (for Federations with teams) or of mixed groups (for Federations with individual gymnasts). No "BYE" rotation will be scheduled in any of the 10 Subdivisions.

WAG gymnasts will be divided into groups consisting either of teams groups (for Federations with teams) or of mixed groups (for Federations with individual gymnasts). **One "BYE" rotation will be scheduled before Vault in all 11 Subdivisions** (and not 12 Subdivisions as originally scheduled in the Directives), with **Subdivisions 1-6 on the first day** of WAG Qualifications and **Subdivisions 7-11 on the second day** of WAG Qualifications. The schedule of these Subdivisions remains the same for the first day of the WAG Qualifications as announced in the Directives. For the second day of the WAG Qualifications, subdivisions 7-11 will all be delayed 30 minutes compared to what was announced in the Directives.

Note: for MAG and WAG, all Federations with 3 gymnasts are considered as individuals. As stipulated in FIG Technical Regulations, some of these Federations requested for the results of their 3 gymnasts to appear in the team ranking of the Qualifications.
