9. JUDGES

The FIG brevetted judges are designated by their Federation and selected for the panels by draw, taking into consideration the degree of the brevet, according to the Judges' Rules.

World Age Group Competitions:

Federations must present 1 or 2 judges (compulsory minimum 1) cat. 4 minimum
Priority will be given to the highest categories.

The Chairs of Judges' Panel (CJP) are drawn by the FIG according to the Technical Regulations and General / Specific Judges Rules.

If a NF rejects the invitation as CJP, this judge may not be selected to another position for the same competition.

The draw for the D, E and A judges will be made at the judges' instruction at the World Championships. No D, E or A judge from the same NF may be drawn in a panel where his / her NF is already represented with a CJP judge. He / she will move directly to the other panel.

NF who has one of their judges drawn/nominated as CJP judge may propose one or two judges cat. I to IV.

Failure to provide a judge will result in the FIG charging the NF with the fine of CHF 2'000.- for the cost of providing another judge (except those participating for the first time in World Age Group Competition).

The selection of judges (Difficulty) is made by draw on the first judge's draw and will remain for the entire competition.

The selection of judges (Artistic and Execution) is made by draw the day of each competition.

Priority will be given to the highest categories.

In the Finals only judges (Artistic and Execution) whose Federations do not have competitors nor a No 1 reserve competitor may be called upon to judge.

The selection is made by the drawing of lots the day of each Final. If there are insufficient neutral judges the TC AER decides the process for designating the necessary number of judges.

Judges shall recuse themselves if

- they are or were married to or live in a registered partnership or co-habit with a gymnast
- they are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

- Total time (in minutes and seconds) from the first to the last tone of the music (for example: Portugal_IW/AG-12-14_LASTNAME_Firstname_length-1'28").

Keep in your possession a specimen of your CD in case of a technical problem in the Competition area or for your training sessions.

At the accreditation, in the absence of music's information transmitted via the specific form, the Heads of delegation have to hand in the Music Release form.

While the LOC guarantees the respect for the rights of author and broadcasting of the musical works, each National Gymnastics Federation will also have to confirm that the music used does not violate any copyrights and that it can be broadcasted within sports.

This confirmation will have to be made by filling-in the online Music release Form at the same time as the nominative registration. Each NF will also be requested to inform on the category, duration, title, author and interpreter composer, title of music, and artist/interpreter of the Music used. The Music Form must be returned by e-mail in format excel to the FIG and to the LOC by **April 18th, 2018** at the latest.
