The person designated to receive the verbal inquiry has to note the time of receiving it and starts the procedure.

Only the accredited coaches in the competition area are entitled to submit an inquiry.

Late verbal inquiries will be rejected. A federation is not allowed to complain against the scores of a gymnast from another federation. Inquiries for all other scores (Execution, Artistic) are not allowed.

The inquiry must be confirmed as soon as possible in writing, but within four (4) minutes at the latest after the verbal inquiry and requires an agreement of payment of Euro 300 for the first complaint; Euro 500.- for the second complaint and Euro 1,000 for the third and any further complaints during the event. Should the inquiry not be confirmed in writing within four (4) minutes, the procedure becomes obsolete.

If the inquiry is refused, the amount will be invoiced later on and must be paid within three (3) months. If the inquiry is accepted, no amount will be requested. Every inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest:

- at the end of the rotation/group for the qualifying competitions, the all-around competitions and the Team competition (Finals)
- before the score of the following gymnast is shown for the Apparatus Finals.
- The detailed procedure is in the UEG Technical Regulations.
