MOTIVATION OF THE INQUIRY

Art. 6 TR/UEG 2016

Inquiries for the Difficulty score are allowed, provided that they are made verbally immediately after the publication of the score or at the very latest before the score of the following gymnast or group is shown. For the last gymnast or group of a rotation, this limit is one minute after the score is shown on the scoreboard. The person designated to receive the verbal inquiry has to note the time of receiving it and this starts the procedure.

Only the accredited coaches in the competition area are entitled to submit an inquiry.

Before the competition, the Head of delegation has to indicate them by name and to inform the competition management in writing.

Late verbal inquiries will be rejected. A federation is not allowed to complain against the scores of a gymnast from another federation. Inquiries for all other scores are not allowed.

The inquiry must be confirmed as soon as possible in writing, but within 4 minutes at the latest after the verbal inquiry and requires an agreement of payment of Euro 300.- for the first complaint; Euro 500.- for the second complaint and Euro 1'000.- for the third and any further complaints for each distinct championship (i.e. the ECh MAG Seniors is distinct from the ECh MAG Juniors; idem for WAG, etc.).

Should the inquiry not be confirmed in writing within the fixed deadline, the procedure becomes obsolete. If the inquiry is refused, the amount will be invoiced later on and must be paid within 3 months. If the inquiry is accepted, no amount will be requested.

Every inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest:

- at the end of the rotation/group for the qualifying competitions, the all-around competitions and the team competition (final)

- before the score of the following gymnast or group is shown for the finals.

The detailed procedure is laid down in the Technical Regulations of the FIG. In the days following a competition, a global video analysis will be carried out by the respective TCs (or their representatives designated by the TCs), and in case mistakes are established, sanctions can be initiated against the guilty judges.
