4. PARTICIPATION RIGHTS AND ACCREDITATIONS

Participation Rights

Please refer to the Directives for details on participation rights, (media) accreditations, maximum delegation size, supplementary accreditations, payment procedures, and insurance deadlines.

A list including all medical personnel duly approved by the FIG is published on the FIG web site. Medical personnel seeking accreditation for these WCH and who are not on this list must send to the FIG offices (attention Mr. Loïc Vidmer at lvidmer@fig-gymnastics.org) a copy of their medical certificate/diploma duly translated in English or French. They must also complete as soon as possible but at the very latest at the deadline of the nominative registration, the form called "Form to be accredited as Medical Doctor or Paramedical staff at FIG Events (2015 edition)", which can be downloaded from the FIG database after creating a profile for medical staff, (please refer to the FIG database User instructions available on the FIG administration website). Without this document, the accreditation of the medical personnel will not be released.

Accreditation Principles

FIG Accreditation rules have to be strictly respected. The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. It indicates and defines individuals' right to access to the different zones as per their functions (Appendices 1 and 2). All participants and officials are required to wear their Accreditation Cards at all times.

The accreditation is personal, non-transferable and compulsory to have access to the training, warm-up, and competition halls, the official functions and the transport system of the LOC (the LOC transport system will only be accessible if the accommodation was booked through the LOC). The access in the Warm-up Hall is strictly limited to the gymnasts participating in the specific competition and according to the warm-up schedule, with the appropriate delegation member (with transferable access card for the Head of Delegation and Team Manager). The accreditation card is also necessary to pass the security controls.

Access rights for "lunch and dinner" (located in or right next to the **Competition Hall** for those entitled) will be controlled by the QR-code printed on the accreditation card (lunches and dinners are only accessible if they were booked through the LOC). No meal vouchers will be distributed.

Any misuse of an accreditation (zone, time, transfer, etc.) will lead to the withdrawal of the accreditation and a fine of CHF 2500.- for each case.

In case of lost or stolen accreditation cards, the LOC and the FIG must be informed immediately to block the accreditation. Lost or stolen accreditations may be replaced at the charge of the card holder (€200).

Accreditation Center

The accreditation center will be located and open as follows:

- Location: Tent beside the delegation entrance of the venue area (see Appendix 1)
- Opening Dates: from 28 September till 13 October
- Opening Hours: - 28 September: 07:30-22:00
- from 29 September till 13 October: the accreditation center opens 30 min before training and closes 30 min after training

Accreditations will be distributed at the accreditation center to the Head of Delegation or his/her Representative. For all Delegations arriving on the official arrival day (i.e. on 28 September 2019), transport for the Head of Delegation plus 1 additional person from the hotel to the accreditation center and back will be provided by the LOC transportation service with vans (separate schedule). Heads of Delegation or their representatives arriving with their delegation on other days have to make their way to the Accreditation Center by shuttle bus.

If Delegations have not uploaded all photos before the event and a photo needs to be taken at accreditation, this person must join the Head of Delegation. Please note that only the Head of Delegation or his/her Representative will be allowed into the accreditation center, plus one additional person per delegation and any delegation members with missing photos.

The Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued without the prior approval of FIG. Any additional person is considered as a spectator and must buy entry tickets. Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

Control and Distribution of the Required Material

At accreditation, the Head of Delegation or his/her Representative must:

- present to the LOC the valid passports of all Delegation members for proof of identity and control of Nationality. A copy of the passport of the accredited gymnasts and judges will be made and handed out to the FIG.
- present to the LOC the gymnasts' valid FIG License for further age control and anti-doping purposes.
- check the correct names of the complete Delegation.
- finalize the necessary payments if needed (i.e. insurance, accommodations, and meals)
- show proof of the cover note or photocopy of the valid insurance policy either in English or in German (if not uploaded to the LOC online tool in advance).
- confirm the accuracy of the Federation National Anthem and National Flag presented by the LOC (Appendix 4). **There is no longer a need to bring them to the event.**

If a photo has to be taken in Stuttgart because none has been uploaded to the **LOC** online system, there will be a charge to the federation of **€20** per person payable at the time of accreditation.

At accreditation, the LOC will also:

- hand out the Transferable Access Cards, the Orientation Meeting Access cards (2 per Delegation), and the SID card.
- distribute the "Medical and anti-doping practical information"

Material to be handed in or collected at the SID

Right after accreditation, the Head of Delegation or his/her Representative must hand in the following material or confirm at the SID:

- confirm the NF contact details onsite that were previously submitted via the LOC online tool (Email and cell phone) for proper delivery of the gymnasts' start lists, judges' lists and results.
- hand in 2 CDs of the WAG competitors' floor exercise music (if any), including for each CD the:
 - Name of the Federation (official country code, example: SUI)
 - Full name of the gymnast
 - Duration of the music for the exercise

WAG competitors' floor exercise music will then be available to be played via PCs for training and warm-up sessions. It is recommended that spare CDs be brought as well for safety reasons or in case of technical problems. The CDs will be returned to the Head of Delegation or his/her Representative via the SID at the conclusion of the delegation's competition.

At the SID, the LOC will also distribute and display information regarding the gymnasts' safeguarding plan.

Delegation Seating

The LOC will reserve a number of seats for the accredited delegation members in the venue (Appendix 2) as follows:

- From 04 to 07 October 2019, these seats are in blocks 202, 203, 208 and 209
- From 08 to 13 October 2019, these seats are in blocks 201, 202, 207, 208, 209, 33 and 4

These seats will be available on a first come, first served basis. Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC. Reserved places will also be put at the disposal of authorized officials and guests of honors.

Transferable Access Cards (TAC)

According to FIG Accreditation Rules:

- in order to access the Competition Area - Field of Play (Zone 1), all coaches, and medical personnel need to present a TAC in conjunction with their primary accreditation card.
- in order to access the Warm-up Hall (Zone 3), all Heads of delegation and Team Managers need to present a TAC in conjunction with their primary accreditation card.

All Delegations will therefore receive the appropriate number of TACs upon accreditation. Additional TACs may be delivered by FIG upon request by the delegation in case of conflicting schedules. The TACs are only transferable within the Federation's official delegation and appropriate function. Lost or stolen transferable cards will **not** be replaced.

5. INSURANCE

Delegation members with insufficient insurance cover must inform the LOC via the **LOC** online system in advance but by no later than **04 September 2019**. Please refer to Appendix 16 for details on the First Class Assistance provided by FIG for Athletes and Judges.

6. NOMINATIVE REGISTRATIONS

Please refer to the Directives for details on the three different steps for the Nominative Registration.

As per FIG Code of Ethics art. 2d), during the conduct of their activities, FIG members are expected to display correct conduct and deportment, to strictly follow the FIG Code of Conduct and to declare any conflict of interest between the organisation of which he/she is a member and all other organisations with which the FIG has relationships.

Any close family relative* to a competitive gymnast may not judge that gymnast or his/her unit (pair, group, etc.) at any FIG sanctioned event. If a conflict should or could appear, the president of the FIG is to be informed, so appropriate action can be taken.

*Note: definition of "close family relative":

- People who are or were married to, or live in a registered partnership or co-habit with a gymnast
- People who are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

Fines

As per the Technical Regulations (Section 1, Reg. 4.1), the fine to be paid to FIG after missing the Nominative Registrations deadlines or after late Nominative Registration is of CHF 1'000.-.

The fine for not participating with a team or for participating with individual gymnasts only after the Definitive Registration has been made with a team is of CHF 1'000.-

FIG licences

Please refer to the Directives

Gymnasts' age limits

- The age of the **MAG gymnasts** in 2019 is minimum 18 years old (born 2001) or older.

13. TRAINING FORMAT AND PROGRAMME

Drawing of Lots

The drawing of lots for the Qualifications and the Apparatus Finals was conducted on 16 July 2019 at 11:00 at the Stuttgart City Hall (for results: <https://www.gymnastics.sport/site/events/detail.php?id=14274#loaded>). As per FIG Technical Regulations Art. 4.2, after this draw, no gymnast can be added to the number of gymnast(s) declared in the Definitive Registration. No additional gymnasts may appear at the accreditation

Early or late training opportunities

No early or late training opportunities will be available at the official competition, warm-up or training venues. The LOC will **not** make arrangements in local facilities either.

Official training schedules

The Official training schedules and the composition of the different training groups are included in Appendix 12 for MAG and WAG (subject to minor modifications).

While the MAG Training sessions are free, specific times have been established for the WAG Training sessions. Reserve gymnasts will have the same training rights as other gymnasts.

The LOC will strictly monitor the rotations and training orders of each group and the Delegations will have to respect the designated training times and the allocated training halls. Each gymnast will have minimum 3 ½ hours per day in 2 sessions, one comprising more than one hour and one comprising 2 or more hours. Changes to the official scheduled training hours will not be accepted and Delegations will be responsible for following the official training schedules.

After the Qualifications, sufficient training sessions will be available to the teams and gymnasts (including the reserves) who have qualified for the Team Final, the All-Around Final and the Apparatus Finals. **No additional training requests will therefore be accepted.** For gymnasts who do not progress beyond the Qualifications, open and free training session will be foreseen following the Qualifications.

A separate entrance and a **designated** area will be provided for the judges close to the training halls. The judges will be allowed access **exclusively** in this area (zone 6).

Podium training

Please refer to Appendix 12 for information on the MAG and WAG podium training schedules (subject to minor modifications). The MAG and WAG podium trainings will be held in accordance with the starting order of the FIG Draw for the Qualifications and will follow the Qualifications time periods. Reserve gymnasts within teams will be permitted to take part in podium training. Podium Training days will be considered as Training Days.

WAG Subdivision 12 on 01 October 2019 and MAG Subdivision 4 on 02 October 2019 will be officially open to the public. Please contact info@stuttgart2019.de for information on ticket sales. Further sessions might still go on sale at a later time.

Federations will be required to inform the LOC at the SID of their gymnasts' WAG Floor Exercise starting order for the sake of music playing (Appendix 17) by 29 September 2019 at 18:00 at the latest.

14. WARM-UP FORMAT AND PROGRAMME

Please refer to Appendix 12 for information on the MAG and WAG warm-up schedules (subject to minor modifications).

Warm-up

Before **Podium training, Qualifications, Team Final and All-Around Final**, warm-up time in the warm-up Hall will be allocated (including for the designated reserve gymnasts). Warm-up will be specifically timed for WAG, but will remain free for MAG.

Prior to the start of **Apparatus Finals**, a warm-up period of one hour will be provided to the gymnasts (including the designated reserve gymnasts) in the competition hall. This warm up period will end at the very latest 30 minutes prior to the beginning of the competition.

All designated reserve gymnasts will be entitled to use the Warm-up Hall until the start of the Qualifications, Team Final, and All-Around Final. For the Apparatus Finals, they will be entitled to use the Warm up Hall until the start of their respective apparatus.

“Touch” Warm-up

For the **Qualifications, Team Final and All-Around Final**, in addition to the allocated warm-up time in the warm-up Hall, a 30 seconds touch warm-up period per apparatus (with 50 seconds for the Uneven Bars and for Parallel Bars, including the preparation of the bars) will be granted to each gymnast on the Field of Play podium. The touch warm-up time is allocated to the whole team in team groups and it belongs to each gymnast in mixed groups.

For **WAG Vault**, while maximum two attempts are permitted in Qualifications, Team Final and All-Around Final, maximum 3 attempts are permitted in Qualifications to qualify for the Apparatus Finals.

The gymnasts will proceed with their touch warm-up on the podium followed by their competition as one group.

For the **Team Final**, two teams compete on each apparatus. The Teams proceed with their **touch warm-up separately one AFTER the other**, with the team of the gymnast competing first (as per the starting order) doing its touch warm-up first. A beep tone will indicate the start time for the touch warm-up of each team. Only teams entitled to doing their touch warm-up may be present on the Podium.

Example 1: starting order **1.SUI** 2.GER 3.SUI 4.GER 5.SUI 6.GER. Touch warm-up **1.SUI-SUI-SUI** immediately followed by 2.GER-GER-GER.

Example 2: starting order **1.GER** 2.SUI 3.GER 4.SUI 5.GER 6.SUI. Touch warm-up **1.GER-GER-GER** immediately followed by 2.SUI-SUI-SUI.

The touch warm-up immediately before the **Apparatus Finals** will take place in the warm-up hall only and not on the Podium.

15. COMPETITION FORMAT AND PROGRAMME

Please refer to Appendix 12 for information on the MAG and WAG Competition schedules (subject to minor modifications).

General Principles

Qualifications, Team Final, All-Around Final, and Apparatus Finals will be held in accordance with the 2019 FIG Technical Regulations including Section 2 for Artistic Gymnastics, Reg. 5.1 and 5.2, the MAG Code of Points 2017-2020 (including NSL# 32, 33, 34 and 35), the WAG Code of Points 2017-2020 (including NSL# 42 and 43 and Help Desk 7th Edition), as well as other FIG technical Directives.

These restricted Teams and Individual Gymnasts' WCH comprise exercises on each of the various apparatus to determine the Team World Champion, the All-Around World Champion and the World Champion on each Apparatus. In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

These WCH are also part of the gymnasts' qualification for the **2020 Olympic Games in Tokyo**. They will serve to qualify:

- the remaining 9 MAG and 9 WAG teams from the Qualifications
- 12 MAG and 20 WAG All-Around gymnasts from the Qualifications
- a maximum of 18 MAG and 12 WAG gymnasts from the Apparatus Finals

The Competition Director and the Field of Play Managers will be in charge of the competitions, warm-ups, and training areas. All instructions given by them must be strictly observed, especially during TV broadcast (i.e. in relation with the marching-in and out).

During competition and touch warm-up on the Field of Play, gymnasts, coaches, and judges are absolutely prohibited from using any electronic device to talk, transmit or receive messages (mobile phones, mini-notebooks, computers, etc.) or use any camera or video device. D-Judges may use a personal computer **solely** for their necessary judging information and to record details of exercises for their final report. Gymnasts may use an electronic device on the Field of Play **solely** for the playing of personal music with wired headphones.

WAG coaches are encouraged to submit the written exercises (short hand writing) of their WAG gymnasts to the LOC at the SID up to the time of the Orientation Meeting.

For athletes' substitution or withdrawal, please refer to Section 1 Regulation 4.2 of FIG Technical Regulations

Qualifications and Starting Order

The gymnasts will be divided into groups consisting either of team groups (for Federations with teams) or of mixed groups (for Federations with individual gymnasts). The location of groups into the various subdivisions and the starting order of the Federation in the first rotation of each subdivision were decided by the draw. Subsequent rotations will proceed as per the standard rules should the nominative registrations permit it.

The FIG, in consultation with the TC and the LOC reserves the right to apply adjustments to the draw and starting order should the nominative registrations received or the final number of participants at the time of the competition generate organizational problems in terms of training, podium training, warm-up and competition schedules.

The MAG **and** WAG gymnasts will exceptionally be authorized to return to the warm-up hall during competitions (without any special approval) in order to share the designated stretching area and the apparatus. Priority will nevertheless be given to the gymnasts warming-up for the following subdivision (if any). Therefore, permission will be required from any federation(s) warming-up **before** the MAG and WAG gymnasts coming from the Competition Hall may use the stretching area or a specific apparatus. MAG and WAG gymnasts will be fully responsible for being present in the competition hall when required in order to perform their routine on time.

For the Qualifications, the confirmation of the starting order of the gymnasts making up a team (of the **5** gymnasts, **4** compete and the **3** highest scores count) and the starting order of the individual gymnasts (i.e. if more than one gymnast per federation and, if only one, to confirm if this gymnast will compete on all apparatus or not), will be decided by the Head of Delegation or his/her Representative. **The Head of Delegation or his/her Representative must also confirm if the gymnast(s) will perform one or two Vaults.**

This starting order will have to be submitted to the SID **24 hours** prior to the start of the respective MAG and WAG Qualifications at the latest (Appendix 7 and Appendix 8). As MAG and WAG Qualifications take place over two days each, the deadlines of 24 hours are fixed at the latest as follows:

- For WAG Subdivisions 1, 2, 3, 4, 5, and 6: **03 October 2019 at 09:00**
- For WAG Subdivisions 7, 8, 9, 10, 11, and 12: **04 October 2019 at 09:00**
- For MAG Subdivisions 1, 2, 3, and 4: **05 October 2019 at 10:00**
- For MAG Subdivisions 5, 6, 7, and 8: **06 October 2019 at 10:00**

If a federation does not respect this deadline, the gymnasts' starting order will be determined based on their bib numbers.

The **results** of federations with 3 Individual gymnasts **WILL NOT** count in the team ranking of the Qualifications.

At the end of the Qualifications, a list of Teams as well as MAG and WAG qualified gymnasts and reserves for the Team Final, the All-Around Final and the Apparatus Finals will be published and distributed. In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Team Final and Working Order

The 8 teams having obtained the highest total scores in the Qualifications take part in this competition. The working order of the 8 qualified men's and women's teams will be in accordance with the TR, section 2, Reg. 5.1.7.4. Gymnasts from two teams compete **alternately one after the other on each apparatus**: e.g. 1. SUI 2. GER 3. SUI 4. GER 5. SUI 6. GER.

The gymnasts' starting order (of the **5** gymnasts, **3** compete and **3** scores count) will have to be submitted to the SID **24 hours** prior to the start of the competition at the latest as follows:

- For WAG: **07 October 2019 at 14:30** (Appendix 8)
- For MAG: **08 October 2019 at 13:45** (Appendix 7)

If a federation does not respect this deadline, the gymnasts' starting order will be determined based on their bib number.

During Team Final, gymnasts are authorized to leave the competition hall to return to the Warm-up Hall if their starting order allows it. The gymnasts will be fully responsible for being present in the competition hall when required in order to perform their routine on time.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

All-Around Final and Working Order

In order to qualify for the All-Around Final, the gymnasts must have participated in the Qualifications. The best 24 gymnasts from the Qualifications will qualify for the All-Around Final with a maximum of 2 gymnasts per Federation, and with 4 reserve gymnasts standing by.

The MAG and WAG competitions working order will take place in accordance with the TR, section 2, Reg. 5.1.7.2.

The Head of Delegation or his/her Representative is not required to confirm participation in the All-Around Final, but must inform the SID if he/she refuses a place and therefore withdraws a gymnast at the very latest 24 hours prior to start of the MAG and WAG All-Around Final (Appendix 9) as follows:

- For WAG: **09 October 2019 at 16:00**
- For MAG: **10 October 2019 at 16:00**

This applies to the qualified gymnasts and reserves.

Qualified gymnasts for the All-Around Final may be replaced by their NF with one of its other gymnasts at their discretion in accordance with Art. 4.2 of the FIG TR and provided that the said replacement has obtained a superior result to that of the first gymnast of reserve.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Apparatus Finals and Starting Order

The best eight gymnasts per apparatus from the Qualifications will qualify for the Apparatus Finals with a maximum of two gymnasts per Federation and with 3 reserve gymnasts per apparatus standing by. The MAG and WAG starting order will take place as per the gymnasts' drawing of lots results

The Head of Delegation or his/her Representative is not required to confirm participation in the Apparatus Finals, but must inform the SID if he/she refuses a place and therefore withdraws a gymnast at the very latest 24 hours prior to start of the MAG and WAG Apparatus Finals (Appendix 9) as follows:

- For MAG and WAG: **11 October 2019 at 16:00 for Day 1**
- For MAG and WAG: **12 October 2019 at 13:00 for Day 2**

This applies to the qualified gymnasts and reserves.

Qualified gymnasts for the Apparatus Finals may be replaced by their NF with one of its other gymnasts at their discretion in accordance with Art. 4.2 of the FIG TR and provided that the said replacement has obtained a superior result to that of the first gymnast of reserve.

During Apparatus Finals, gymnasts are authorized to leave the competition hall to return to the Warm-up Hall if their starting order allows it. The gymnasts will be fully responsible for being present in the competition hall when required in order to perform their routine on time.

In case of ties, the tie-breaking rules as defined in the FIG TR will apply.

Kiss and Cry

Gymnasts will be escorted to the Kiss and Cry, i.e. a special seat in the waiting area, to await their scores. Gymnasts are asked to remain seated until their score has been published.

For apparatus finals, the Kiss and Cry turns into a winner's box, i.e. the current leader has to stay until another gymnast reaches a higher score.

16. FIG CERTIFIED APPARATUS

The FIG Certified Manufacturer Supplier for these WCH will be SPIETH Gymnastics GmbH. The Color of the Floor Exercise mat will be blue. The Apparatus controls will be conducted as per the enclosed schedule. Please refer to the Directives for details on the list of Apparatus used.

- Appendix 10 for "Vault Numbers" prior to the time of the Orientation Meeting or at the latest one hour before the competitions' start.

18. WAG MUSIC

The music form will be available for download after each National Gymnastics Federation submits its Nominative Registration. This Excel document will already be partially filled out with the names of the gymnasts submitted at the Nominative Registration. The name of the composer, the title of the music the gymnast will perform to and the name of the artist or interpreter must be added. The structure of the form in itself must not be modified. Once completed, the form must be returned **EXCLUSIVELY by Email in XLS/XLSX format** (at ccachemaille@fig-gymnastics.org). **OTHER FORMAT (SUCH AS JPG OR PDF) WILL BE REFUSED.** In case of loss, the form may be re-downloaded by clicking on the button with the musical note to be found just to the right of the Registration button as indicated below:

While the LOC guarantees the respect for the rights of author and broadcasting of the musical works, each National Gymnastics Federation will also have to confirm that the Floor Exercise music of their WAG gymnast does not violate any copyrights and that it can be broadcasted within sports. This confirmation will be made by filling-in the aforementioned WAG Music Form and by returning it to FIG (at ccachemaille@fig-gymnastics.org) **by 04 September 2019** at the very latest.

19. JUDGES' PANEL, JURY OF APPEAL, AND SUPERVISORY BOARD

Jury of Appeal and Supervisory Board

The Jury of Appeal and Supervisory board consist of two members (one acting as President) and a third person to be designated in accordance with the matter of the appeal. In case of a judge's appeal, a person not involved in the decision of the Superior Jury and in the judging process of the apparatus concerned will be nominated.

20. ANNOUNCEMENTS, ROLL CALLS AND MARCH-IN AND OUT

During the competitions, the announcements will be made exclusively in English. The warm-up will end 10-15 minutes prior to the start of the competition session. The first roll call will be conducted in the warm-up hall 10 minutes prior to the start of the respective competitions.

The second roll call will be conducted at the entrance of the Competition Hall, 5 minutes prior to the start of the respective competitions. The gymnasts must remain in position and may not leave within these 5 minutes.

The competitors are required to follow the instructions of the LOC staff. Please refer to Appendix 2 for the gymnasts' march-in and out. The gymnasts are required to wear their competition attire for march-in and out. Coaches will be asked to enter the Field of Play by a separate entrance and to carry the bags of their gymnasts to their first apparatus.

21. SCORING

Longines will provide the official scoring equipment for these WCH. The Longines equipment will be used for the data management of the gymnasts' start lists, judges' lists, scores, and results. While the IRCOS system will be used in accordance with FIG Rules, the start list of competitors, the list of judges and the results will be distributed electronically via Email and through the event website.

Invalid Results marks

Please refer to FIG TR Section 1 Art. 8.5 for details on the designations and implications of invalid results marks, namely "Did Not Start" (DNS), "Did Not Finish" (DNF), "0" score, or "Disqualified" (DSQ).

22. INQUIRY

As per Art. 8.4 of the TR and the clarifications published in FIG Official Communication on 9 July 2018, inquiries for the difficulty scores are allowed, provided that they are made verbally immediately after the publication of the score or at the very latest before the score of the following gymnast is shown. For the last gymnast of a rotation, this limit is one minute after the score is shown on the score board.

The person designated to receive the verbal inquiry (Inquiry Officer) has to note the time of receiving it and this starts the procedure. Only the accredited coaches in the competition area are entitled to submit an inquiry. **The expected score must be mentioned on the inquiry form for the inquiry to be accepted.** An area close to the podium where the coach of the competing gymnast can observe the exercise will be designated (Appendix 2). Late verbal inquiries will be rejected. A federation is not allowed to complain against a gymnast from another federation. Inquiries for the Execution scores are not allowed.

The inquiry must be confirmed as soon as possible in writing (Appendix 11), but within 4 minutes at the latest after the verbal inquiry. This procedure requires **an agreement** of payment of USD 300.-- for the first inquiry; USD 500.-- for the second inquiry and USD 1'000.-- for the third and all subsequent inquiries, lodged by the Federation throughout the WCH (and not starting from "1" again at each competition phase). Federations are not requested to pay cash **as cash money is prohibited on the Field of Play**. Should the inquiry not be confirmed in writing within 4 minutes, the procedure becomes obsolete.

After review of the inquiry, should the final score be higher, this sum will not be invoiced by FIG to the Federation. However, should the final score remain unchanged **or be lower**, the sum will be invoiced and transferred to the FIG Foundation. Every inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest:

- at the end of the rotation for the Qualifications, Team Final and the All-Around Final
- before the score of the following gymnast is shown for the Apparatus Finals.

Additional information are laid down in the Appendix to the Code of Points.

Federations are responsible for the proper and timely appearance of their gymnasts at press and media opportunities, such as the mixed zone and press conferences. Any federation whose athletes do not appear as stated above will be fined for each infraction. The amount of the fine has been fixed by the FIG Council in 2002 at CHF 2'000.-.

Cooperation with the press is most appreciated. To assist gymnasts to talk to the press, each participating federation may ask for one Mixed Zone Card, which allows staff to accompany gymnasts on the athletes' lane of the mixed zone. The cards are distributed onsite by the FIG Media staff.
