Jump into the party! Our ambition is to create a high-octane gymnastics party atmosphere that gives everyone involved memories for life – a warm, inviting and professional competition in the finest traditions and spirit of Gothenburg. With the support of our core values, sustainability and fellowship, we are hosting a modern championship. Tickets will be available from November; more information will be available on the UEG website.

Sustainability

Social; we support an equal and inclusive championship where everyone involved will be treated with respect. Environmental; we seek environment friendly choices when it comes to food, products, transport and accommodation.

Fellowship

Welcoming; we present the real Gothenburg where every visitor is greeted with a smile and a solution-oriented approach.

Timely

Inspirational; with respect for longstanding traditions, we take the championship a step further with a determination to advance and innovate.
