7. REGISTRATIONS AND ENTRY FEES

Registrations can only be made by FIG affiliated federations in good standing, via the **FIG** on-line system (click [here](#)) and by using the National Gymnastics Federations' login (e-mail) and password.

Provisional Registration

The provisional registrations must be completed from 25 November 2019 until 8 January 2020 at the very latest.

Definitive Registration

The definitive registrations must be completed by entering the composition of the delegation 9 January 2020 until 19 February 2020 at the very latest.

Nominative Registration

The nominative entries must be completed by entering the composition of the delegation from 20 February 2020 until 22 April 2020 at the very latest.

Nominative registrations received in the FIG Office after the drawing of lots will be refused (i.e. the gymnasts will not be allowed to compete).

Together with the nominative registration and to accelerate the process of the accreditation, the delegations must upload one passport photo of each delegation member via the **LOC's** online system. After the provisional registration through the FIG website, the LOC will provide each Federation with a personal login and password for this system.

Requirements for each identity color photo:

- Identity: country code_event level_function_full name, for example: CHN_WAGC ACRO_Team Manager_LI Haoyang
- File format: .jpg or .jpeg
- Dimensions: min. 175 X 225 pixels, max. 1750 X 2250 pixels (width X height)

Accreditations sent without photos will not be handled with priority. You may wait at the accreditation desk.

The delegations who sent all requested information and documents correctly before **22 April 2020** at the very latest will receive their accreditation first, upon arrival.

Delegations who didn't respect this directive will have to wait at the accreditation center.

If the photo has to be taken at the accreditation because none has been sent within the deadline or not sent in the official requested format, there will be a charge of CHF 10.— for each photo that has to be taken (to be paid immediately at the time of the accreditation).

Entry Fees

The non-reimbursable registration fee is of CHF 150.— per gymnast and must be paid to the FIG by **19 February 2020**.

Fine after missing the Definite Registration deadline or after late Definite Registration (until the gymnast's draw of lots)	CHF 1'500.—
Fine after missing the Nominative Registration deadline or after late Nominative Registration	CHF 1'000.—

8. LICENSES

The LOC and FIG will be responsible for checking the validity of the gymnasts' Licenses. No gymnasts will be accepted without a valid FIG License (at the date of the Nominative Registrations).

9. JUDGES

The FIG brevetted judges are designated by their Federation and selected for the panels by draw, taking into consideration the degree of the brevet, according to the Judges' Rules.

The Chair of Judges Panel (CJP) and Difficulty Judges (D) are drawn/nominated by FIG according to the Technical Regulations and General / Specific Judges Rules.

If a NF rejects the invitation as CJP and/or D Judge, this judge may not be selected to another position for the same competition.

NF who has one or more of their judges drawn/nominated as CJP and/or D judge must propose one or two judges cat I to III, according to the TR.

Failure to provide a judge will result in the FIG charging the NF with the lump sum of CHF 2'000.– for the cost of providing another judge (*except those participating for the first time in World Age Group Competitions*).

Judges shall recuse themselves if

- they are or were married to or live in a registered partnership or co-habit with a gymnast
- they are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin.

Jury of Appeal

The Jury of Appeal will be decided on a later stage, according to the FIG Technical Regulations.

10. DRAW OF LOTS

The draw of lots will decide the starting order of the qualification competitions and the finals. The draw of lots will take place within two weeks after the deadline of the nominative registration (*please refer to FIG Technical Regulations 2020, Section 1, Art. 4.4, #1*).

The exact date, time and location will be announced by the FIG to the parties concerned which are entitled to be present at the draw.

11. COMPETITION FORMAT AND PROGRAMME

The competition will be conducted according to the FIG Technical Regulations 2020 edition including Section 5: Special Regulations for Acrobatic Gymnastics.

Media accreditation for the World Age Group Competitions is handled by the LOC. Please contact Mr. Philippe Roch at media@worldacro2020.com.

The FIG Accreditation Rules and Media Rules have to be strictly respected.

12.2 Publicity

While the Publicity Rule Chart is available on the FIG website under “Rules - Publicity” for additional information, you may also contact tv@fig-gymnastics.org for further assistance if required.

14. VISA

The LOC will be happy to assist each Delegation member with an official invitation letter, provided that the visa request is made to the LOC via the **LOC's** online system before **19 February 2020** (or earlier if your embassy takes a long time to issue visas) and includes the function, full name, gender, date of birth, citizenship and passport number, passport expiry date, arrival and departure dates of the Delegation Member as well as the city the visa application support letter must be sent to. The LOC will provide each Federation with a personal login and password for all online visa requests.

<https://www.sem.admin.ch/sem/fr/home/themen/einreise/visumantragsformular.html>.

Federations are responsible for all costs related to their visa request.

15. TRANSPORTATION

International Transportation

The international travel to Geneva-Switzerland will be at each delegation's own expenses. The FIG and the Local Organizing Committee strongly recommend that each Federation takes cancellation insurance for its transportation.

Local Transportation

Accredited team delegations that stay at one of the official hotels and book their accommodation through the Local Organizing Committee, will be provided with local transportation from Geneva Airport and Geneva-Airport Train Station to the official hotels and back. This service from the airport/train station to the official hotels and back will be guaranteed by LOC on the official arrival and departure days for the event the delegation takes part in.

The official international airport for these championships is Geneva International Airport “Cointrin” (GVA).

A shuttle service will be available for the local transportation of all accredited persons (if applicable) from the official hotels to the training, warm-up, and competition venues as well as to any other official activities and back as needed.

Federations who do not stay at one of the official hotels, do not book their accommodations through the LOC and do not fill-in and submit to the LOC via the LOC’s online system their Travel Schedule for Arrival and Departure in due course **will not** be entitled to use the event local transportation system and will be responsible to be on time.

16. ACCOMMODATION

The LOC is delighted to provide FIG and official delegations members with a selection of hotels covering four different categories (I, II, III & IV) and all located within a 3 to 7 km driving distance from the event venue (official shuttles provided from each hotel, back & forth).

Reservations

The LOC will provide each Federation with a personal URL link for all Accommodation Packages reservations in the official hotels.

FIG affiliated member Federations should request their Accommodation Packages as a matter of priority as rooms are limited and will be allocated strictly in order of booking receipt (i.e. “first come, first served”). Should a chosen hotel category not be available anymore, the LOC will contact the concerned Federation to discuss alternative options.

Geneva is a metropolis where many international congresses and meetings take place. Therefore, the prices negotiated with the hotels are the best possible to satisfy your degree of expectation for this world event.

An All Inclusive Package is proposed including accommodation with breakfast and city taxes, transportation, daily meals including the closing banquet in a 5-star hotel with a separate and adjoining room for disco. In addition, by traveling with the punctual public transports of Geneva (TPG), you will participate in the preservation of our planet (eco-responsible behaviour).

We invite you to trust the LOC by simplifying your life and make the World Age Group Competitions friendlier.

Booking & Deposit

The LOC will provide each Federation with a personal URL link for all accommodation reservations in the official hotels. The following steps must be respected:
