5. PARTICIPATION RIGHT AND ACCREDITATIONS

Senior and Junior Gymnasts holding a valid FIG licence until the end of the competitions, and with the correct age from European Gymnastics and FIG affiliated Federations in good standings, may take part in these European Championships. An individual is entitled to only one accreditation card. If an individual has several valid “accreditable” functions, the highest function is normally selected and the access zones of the functions are cumulated. No substitutes may directly benefit from unused accreditations. The functions of judge and gymnast cannot be combined with any other function, except for a gymnast who can also act as Head of Delegation.

Maximum Delegation Size

The maximum size of each delegation, as per European Gymnastics Technical Regulations, is as follows:
All federations are entitled to participate with either a team composed of 3 to 5 gymnasts, or individual gymnasts.
**MAG Senior Teams have the option to bring one further individual apparatus specialist gymnast.

Function	Junior	Senior	Combined
Gymnasts	5	6	11
Head of delegation	1	1	1
Team manager	1	1	2
Coaches	2	2	4
Doctors	1	1	1
Physiotherapist	1	1	2
Judges*	1	1	2

*Note: see also Point “9. Judging “below for additional information

Additional accreditations are at the charge of the delegations. The costs of these accreditations are as follows:

Additional Coach	EURO 180
Additional Paramedical Staff	EURO 180
Guest	EURO 180
VIP Guest	EURO 250

The cost for additional accreditations must be paid directly to the LOC. An additional invoice will be sent to the concerned NF, including the bank details of the LOC.

Accreditation Application Process

Each National Federation (NF) is kindly asked to enter the personal details and to upload photos of all delegation members in the following online accreditation tool of the LOC:

<https://acc.gymresult.it/>

The online accreditation system will be open from **24 January 2024** and will be closed on **26 March 2024**.

All details on how to access the LOC online accreditation portal and description of the application process will be provided to each NF by the LOC after the definitive registration deadline.

This will involve entering personal information (name, date of birth etc.), assigning the correct Job Title (e.g. Athlete, Coach, Doctor) and uploading a photograph which meets the requirements below.

The photograph must follow the same requirements as for a passport:

- It must be in **colour**, should be a recent and an accurate likeness of the applicant and must not have been altered in any way
- It should be a **front view of the applicant's face, head and shoulders (facing forward and looking straight at the camera)**; hats, hair bands or dark glasses must not be worn.
- It should show the full head, without any head covering, unless worn for religious beliefs or medical reasons
- With a neutral expression and with the mouth closed
- With eyes open and clearly visible (no sunglasses or tinted glasses and no hair across the eyes)
- No objects, other people or shadows in the photo
- The **background must be plain and light colour, preferably white** but light blue and light grey will be accepted (NO black, dark blue, red etc.)
- Be clear and in sharp focus
- Be taken within the last 6 months

Details should be entered for all participants **until no later than 26 March 2024**. This includes applications for accreditation of additional coaches, paramedical staff and guests for whom the NF will assume the participation costs, as described above.

Please consider: If photos will have to be taken at the accreditation desk (because they were not sent within the deadline/in the correct format) **EUR 50.-** will be charged for each photo.

All data submitted by NFs via the Smart Scoring platform are subject to the approval of European Gymnastics. The European Gymnastics Accreditation Rules will be strictly applied, notably as far as the number of accreditations per federation is concerned. No further accreditations may be issued. Any additional person is considered a spectator and must buy entry tickets.

Accreditation cards will not be delivered unless all financial and insurance obligations have been successfully completed.

In addition, each NF **must also** register on the **European Gymnastics GymData Online registration system** by the stated entry deadlines for Definitive & Nominative entry (see Point 7).

Media Accreditations

International and local media representatives as well as federations' communication staff who are interested in covering the event can register online through the European Gymnastics website: [Media | European Gymnastics](#).

Deadline: 09 April 2024.

The European Gymnastics Accreditation Rules and Media Rules have to be strictly respected.

6. AGE LIMIT OF GYMNASTS

The age of MAG Juniors in 2024 is age 15 – 18 years old (born 2009 - 2006).

The age of MAG Seniors in 2024 is minimum 18 years old (born 2006) or older.

- NFs must declare through the gymnast's FIG profile whether their 18 year old gymnasts will compete as junior or senior prior to their first FIG sanctioned competition for the year concerned.

Gymnasts who have participated in a Senior World Championships, a Senior Continental Championships, a World Cup / World Challenge Cup, and Multi-Sport Games, may not participate afterwards in Junior competitions.

All gymnasts must have a valid FIG licence until the end of the event.

7. REGISTRATION AND ENTRY FEES

No late registrations will be accepted after the Drawing of Lots (i.e. the gymnasts will not be allowed to compete), however, a NF who has registered a Team is authorized to add gymnasts to the number declared at the Definitive Registration, up to the maximum quota allowed (Ref. FIG Technical Regulations - Section 2 - Art. 6 - Registration Changes).

9. JUDGING

Each National Federation with a Team or Individual Gymnasts for the Senior or Junior competitions has the obligation to nominate 1 judge. Each National Federation with teams or individual gymnasts for the Senior and Junior competitions must nominate 2 judges.

If a federation does not enter a judge or comes with an insufficient number of judges, European Gymnastics, in line with the Technical Regulations, will request payment in the sum of EUR 2000.00 per missing judge.

All judges must have a current valid FIG brevet and category, for their function according to FIG Judges rules at the time of the event.

Whilst the presence of E-judges at the Official Podium Training is not mandatory, the MTC would strongly encourage all E-Judges to be present at Podium Training.

10. DRAWING OF LOTS

The gymnasts' drawing of lots will take place after the deadline of the Nominative Registration, on **2nd April 2024** at the Head Office of European Gymnastics.

The composition of subdivisions is decided by drawing of lots among the teams and individual gymnasts.

For Juniors, the draw will be open, and will start with the final Subdivision and work its way back to Subdivision 1. As federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

For Seniors, the draw will start with the 6 (MAG) highest ranked teams from the qualification competition at the European Championships from the previous year (or in exceptional circumstances from another competition to be decided by the EC following proposals from the MAG Technical Committees) drawn in the final subdivision and placed horizontally across the apparatus working in Olympic order.

The draw will then continue with the remaining teams and individual gymnasts to complete the final Subdivision and then work its way back to Subdivision 1. As federations are drawn, they will be placed horizontally across the apparatus working in Olympic order. The draw will continue until all federations have been drawn.

11. COMPETITION FORMAT

According to FIG TR 2023, the 2024 European Championships is a qualifying event for the Olympic Games Paris 2024.

For details, see the FIG TR **Appendix A – Qualifications Pathway. – Criteria 7**

Competition Format

SENIORS - Qualifying Competition including All-Around Final, plus, qualification for Apparatus Finals and Team Final.

JUNIORS - Qualifying Competition including Team Final, plus qualification for the All-Around Final and Apparatus Finals.

A Senior and Junior Team consists of 3 - 5 gymnasts, of which up to 4 compete on each apparatus. The 3 best scores on each apparatus are added together to make the total score for the Team on that apparatus.

Federations who compete with a Senior Team may bring a 6th gymnast to participate as an individual apparatus specialist. This gymnast may compete on a maximum of 3 apparatus. The apparatus on which the 6th gymnast competes must be declared by the Federation in the nominative entry and cannot subsequently be changed.

The competition consists of 6 apparatus. As a general rule, the events will be performed in the Olympic order.

The number of subdivisions depends on the number of participating gymnasts. As a general rule, every subdivision includes 12 teams/mixed groups.

The composition of subdivisions is decided by drawing of lots among the teams and individual gymnasts.

The best Junior Team is awarded the title "Junior European Artistic Gymnastic Team Champion Men".

The best Senior Individual All-around gymnast is awarded the title "Senior European Champion in Artistic Gymnastics Men".

JUNIORS - All-Around Final

The 24 gymnasts with the highest ranking obtained in the Qualifying Competition will qualify for the All-Around final.

A maximum of two gymnasts per federation are allowed in the finals.

The starting order of the gymnasts will be communicated in the work plan.

The winner of the All-Around Final juniors is awarded the title "Junior European Champion in Artistic Gymnastics Men".

SENIORS - Team final

The 8 best Teams from the Qualifying Competition will participate in the Team Final. Teams consist of 3 to 5 gymnasts. 3 gymnasts will compete on each apparatus with all 3 scores counting towards the total score for the Team on that apparatus.

The starting order of the gymnasts will be communicated in the work plan.

The winner of the Team Final for Seniors is awarded the title "European Artistic Gymnastic Team Champion Men".

SENIORS & JUNIORS - Apparatus Finals

The 8 highest ranked gymnasts on each apparatus from the Qualifying Competition will qualify for the respective Apparatus Final.

A maximum of two gymnasts per federation will be allowed in the finals.
The starting order of the gymnasts will be communicated in the work plan.

The winner on each apparatus is awarded the title "European Champion on ... (the corresponding apparatus) Men " or "Junior European Champion on ... (the corresponding apparatus) Men ".

Reserve gymnasts

Reserve gymnasts for all Finals will be in accordance with the FIG Technical Regulations.

The provisional training, warm-up and competition schedules will be included in the Work Plan.
