## Health and Safety Measures

---

The FIG requires all participants, judges and officials to take standard precautionary measures, such as frequent hand-washing, wearing masks or face coverings at all times and keeping a physical distance of at least 1.5 metres whenever possible.

The only situation in which the safety distance does not have to be respected is when a coach provides assistance (catch, lead, spotting) during an athlete's performance. This phase must be kept as short as possible, and the assisting person is obliged to wear a mask throughout. Gymnasts do not need to wear a mask or face covering while they are performing at the training venue or on the FOP and keeping a physical distance of at least 1.5 metres whenever possible.
