SUBJECT: World Gymnaestrada Lisbon 2027
Join the World's Largest Gymnastics Event!

The World Gymnaestrada taking place in Lisbon from 11 to 17 July 2027 will be an opportunity to bring together the Gymnastics for All community again and introduce the Portuguese hospitality to the world.

With approximately 25,000 participants expected, this international, non-competitive event celebrates the diversity of gymnastics through performances and shows. The motto "Connecting the World" reflects the spirit of sharing that we want to extend to clubs and their members.

We would therefore like to invite you to take part in this unique event as a volunteer. For the ones involved in gymnastics, volunteering offers an opportunity to discover another dimension of the sport and gain an understanding of the work that goes into organizing an event of this scale. For coaches, club officials and family members, it is an opportunity to contribute their experience and connect with other gymnastics communities.

Throughout the week, you will have the opportunity to experience the event up close, take part in various activities and help create unforgettable memories for both participants and fellow volunteers!

We know that you will be travelling from far away and would like to make this experience worth your time, so free accommodation and meals are provided to all volunteers coming abroad, for the duration of the event, as well as volunteer equipment and a sleeping set.

If you are interested in joining the volunteer team, you can apply via our website: Volunteers | World Gymnaestrada 2027 | Ginástica Portugal or email wg27.volunteers@ginastica.org if you have any questions.

Please check the dates of the event before making travel arrangements and reach out to us if necessary.

It would be a pleasure to prepare this event with the involvement of those who help gymnastics grow everywhere around the world!

We're counting on you!
