Why do international teams choose us?

Gymnasts can now benefit from one of the best equipped buildings in Europe, training at the highest level with the best materials and brands such as **Gymnova**.

The brand-new construction has become a total renewal of the specific facilities for both **men and women's aerobic, artistic, rhythmic and trampolene gymnastics**.

Definitely... for our **148.000 m2 of top-class sports facilities** in an enclosed area with new fitness rooms and spa areas. CAR Barcelona has recently increased its capacity with 25,000 m2 sports building that expand the concept of a high performance sport centre.

If your team is interested in our **science, medical and technological services** to enhance athletes performance, our professional staff can be at your disposal!

CAR Barcelona has already hosted world class gymnasts from **Brasil, Great Britain, Italy, Portugal, Romania, Ukrania, United States...**
