

# TeamGym International Cup for Clubs 2016

## Hello dear TeamGym - Friends!

The TG International Cup is a way to give to all gymnasts from the age of 8 years (already done) the possibilities to **compete internationally** in TeamGym with their own Club.

There are many competitions around Europe. The teams can take part in as many competitions as they choose. Competitions will be held in those facilities that each organizer has.

**Organizers will accept all rules and the directives for equipments.**  
**Organizers will inform the Teams in the invitation about the facilities and the equipments.**

All competitions will be organized by National Federations/ Clubs. Due to this, invitations must be sent directly to organizer of each competition. Registration for the competition must be done 2 months before the competition.

Organizers will give more information about sending the tariff forms.

Cup is open to the following age categories (see the age in the "RULES"):

- Youth teams (No sex division)
- Junior teams (women, mixed, men) - For Mix Teams see the rules
- Senior teams (women, mixed, men) - For Mix Teams see the rules

Same gymnast can take part only in one category (women, mixed or men) and age (Youth, Junior or Senior).

**UEG CoP 2013 will be used with some "CHANGES" (see in the "RULES")**

**Teams need to bring their own judges.**

\* Preferably national brevet judges per team

\* In every competition we will have AT LEAST one international judge as a head judge of the competition.

Winner of the cup is the team which has collected the highest amount (more a "bonus" for the ranking position in each competition step) from the best **two** competitions (only one competition is out of ranking) in the same category. The ranking will be counted after the last competition.

ALL THE RULES FOR THE INTERNATIONAL TEAMGYM CUP ARE ATTACHED TO THIS INVITATION.

The competition organizers can open the competition to the Trio Teamgym (Micro) and to the Mini Team (4-7) with the same rules:

The Trio Team must be composed by 3 to 5 gymnasts, only Trampet and Tumbling, no Floor

The Mini Team must be composed by 4 to 7 gymnasts. all the disciplines, Trampet, Tumbling and Floor

**The Organizers can decide if include the MINI TEAM (4-7) in their Cup's leg! It's not compulsory!  
It's experimental!**

Trampet with at least one round with vault Table for both categories.

Gymnasts who compete in Trio or Mini Team can't compete in Teamgym in the same competition step!
